

A1. Nudge:

Text:

Thanks for showing up to the free live masterclass earlier guys.

Feel free to ignore this if you've already submitted your application form.

This is your nudge to do it if you haven't yet.

I hope you're all aware that the value that you've just received fades away pretty fast.

Here's the link for it: [LINK]

A2. Case Study:

Video:

Let me tell you about one of my students named Joshua.

He was working at a post office in the middle of nowhere when he came to me.

We got his very first storefront rolling shortly after.

He ended up taking home roughly twenty thousand dollars in our fourth month together.

The only thing standing between him and yourself is making a change.

A3. Recap:

Voice Note:

All of you guys who showed up to the free live masterclass got access to an offer that I'm not making in the same way anywhere else.

Here's a reminder of it for the ones in the back.

Freelance Middleman provides you with one-on-one access, one-on-one coaching calls, group coaching calls, course content, and community.

The Customer Compass is one of the many bonuses included.

The only setback is remaining stuck where you are forever.

This is what you've been looking for: [\[LINK\]](#)

N1. Nudge:

Text:

I know that some of you guys couldn't make it to the free live masterclass.

You're lucky that I've got a replay of it though: [LINK]

I'm just saying that it's not going to be up forever.

N2. Recap:

Voice Note:

I'm going to give you guys a quick rundown of the free live masterclass.

There are two aspects to copying and pasting the dropservicing strategy behind my seven-figure home service empire.

Manual labour forces you to perpetually trade time for money.

Dropservicing gives you the opportunity to provide value in exchange for money.

I've taught everything that goes into this throughout it.

I'm only keeping the replay up for a little longer: [\[LINK\]](#)

N3. Pressure:

Video:

I want to bring something to the surface for all of you guys.

You registered for the free live masterclass to copy and paste the dropservicing strategy behind my seven-figure home service empire.

This is without endless capital, skills and experience, or a location.

I'm only mentioning this because I'm about to take down the replay: [\[LINK\]](#)
