Text:

It was great speaking with you earlier.

I figured I would add you to this group chat with the rest of the team ahead of the discovery call.

Can you introduce yourself when you get the chance?

2. Client Interview:

Text:

You'd get quite a lot of value out of this YouTube video based on our conversation.

Here's the link for it: [LINK]

3. Recap:

Voice Note:

Let me give you the rundown to prevent showing up to the discovery call clueless.

Freelance Middleman is where we work with you to copy and paste the dropservicing strategy behind my seven-figure home service empire.

This is without endless capital, skills and experience, or a location.

There's a ton of other bonuses that I'm not mentioning right now like The Customer Compass.

The only setback is remaining stuck where you are forever.

4. Reminder / Objection Handling + Conviction Building:

Video:

Let me answer some frequently asked questions prior to the discovery call later on.

Will I be pushed into some sort of deal? The whole point of this is to work out whether or not it's a great fit.

Are they going to make me feel bad if I decide against it? We would much rather you walk away than commit while being on the fence.

Do I need to have everything lined up beforehand? We'll fill in all of the blanks together.

Am I walking into things blind? We're going to come up with a game plan based on your situation.

I can guarantee that you'll find it insightful and helpful anyway.

You might be wondering whether or not it actually makes sense to pursue though.

It's important to understand that there are more customers and professionals of the home service industry than ever, but a handful of people matching the two together.

The thing is that doing this alongside somebody who's done it successfully lets you skip past the guesswork.

Feel free to come with as many questions as possible: [\[LINK\]](#)

5. Reminder / Risk Reversal + Urgency & Scarcity:

Video:

The discovery call is going down in about an hour.

Let me take some of the weight off your shoulders beforehand.

We have a guarantee to keep working with you free of charge.

This is if you end up struggling to find success.

The only way to lose is by never taking a real strike at winning.

I want to be straight with you about the timing aspect.

We're taking on fifteen people in this cohort and it's going to be open for the next week.

You want to take immediate action if it's piqued your interest whatsoever.

I would recommend keeping that in mind: [\[LINK\]](#)
