3. Unique Mechanism:

SL: How does this even work?

PV: N/A

Hey {first_name},

I want everybody that's registered for the [free live masterclass](#) to copy and paste the dropservicing strategy behind my seven-figure home service empire.

This is without endless capital, skills and experience, or a location.

Manual labour forces you to perpetually trade time for money.

It requires a variety of overheads, picking up trades in the first place, and being available for the tasks at hand.

This means that you're diving into things headfirst, your earning potential is delayed by years, and your income is capped by location.

Dropservicing gives you the opportunity to provide value in exchange for money.

It comes down to letting the subcontractor do their thing, introducing the customer to the professional, and running storefronts across the globe.

The result is that you're putting nothing down, you profit off the supply-demand gap, and your success is tied to expansion.

I'll be teaching everything that goes into this inside of the [free live masterclass](#).

See you there.

4. Narrative:

SL: Made it out the mud

PV: N/A

Hey {first_name},

Let me give you some context real quick.

I spent my childhood in a motel and my adolescence on food stamps.

This tricked me into going the safe way of college and a corporate job.

I had \$40,000 in debt when I came across the business model that made me a millionaire.

I'm still running multiple storefronts and helping others do the same.

See you there.

- Barry

5. Future Pacing:

SL: It makes all the difference

PV: N/A

Hey {first_name},

I want you to picture this for a second.

You wake up whenever you like, wherever you please, day in and day out.

You spend some time dealing with customers, interacting with professionals, and working on storefronts.

You take the rest of the day off while earning on autopilot.

This is the life that dropservicing has handed over to me.

See you there.

- Barry

6. Sneak Peek:

SL: I'll let you in on a little secret

PV: N/A

Hey {first_name},

Everybody's been asking what I'm going to cover on the free live masterclass.

Here's a sneak peek into the three pillars...

The first is how to attract deals from customers with demand.

This is where the cash flow actually occurs.

The second is how to assign deals to professionals with supply.

This is what facilitates all of the deals.

The third is how to scale both horizontally and vertically.

This is why hustlers turn into entrepreneurs.

The cherry on top will be a Q&A for the ones that stay until the end.

I hope you know that the ninety minutes that it consumes are going to be so worth it.

See you there.

- Barry

7. Objection Handling:

SL: Your prayers have been answered

PV: N/A

Hey {first_name},

I'm getting a lot of questions about the free live masterclass.

Let me speak into some of the big ones...

You might think that I won't teach everything inside of it.

The thing is that I've refined this to what's actually going to move the needle.

You might think that it's all available on my YouTube channel anyway.

The whole point of this is to hand you the full picture rather than scattered pieces of it.

You might think that it will turn into one grand pitch.

The reality is that I'm teaching this all whether you work with me or not.

You might think that you can simply catch the recording.

The truth is that being there in person helps extract as much value as possible.

I can guarantee that you'll walk away with more than you had to begin with either way.

See you there.

- Barry

8. Addressing:

SL: Why am I making this free of charge?

PV: N/A

Hey {first_name},

I'm just going to be straightforward with you, because I get asked this all the time.

It's a common misconception that I have to choose between doing it myself or helping others.

I'm a player and a coach, so I'm doing it myself and helping others.

This also gives me the chance to learn from everybody who gets results.

See you there.

- Barry

9. Reminder / Recap:

SL: It's game time

PV: N/A

Hey {first_name},

The day has finally arrived.

I'm going live at **7:00 PM EST**.

Here's what I'll be covering tonight...

- How to attract deals from customers with demand.
- How to assign deals to professionals with supply.
- How to scale both horizontally and vertically.

I'll do a Q&A for everybody that stays until the end.

I've simplified everything so that you're ready to go within the span of ninety minutes.

See you there.

- Barry

10. Reminder / Conviction:

SL: One hour left

PV: N/A

Hey {first_name},

Someone in your position is about to copy and paste the dropservicing strategy behind my seven-figure home service empire.

This is without endless capital, skills and experience, or a location.

The only difference between yourself and this person is that they showed up to the free live masterclass.

Most of the people that registered for this won't, because they've told themselves that they can attend it another time, but they can't.
